Maryland Apprenticeships

Over 230 occupations have registered apprenticeship programs in Maryland. Apprenticeships are jobs combining paid on-the-job training and classroom instruction to teach the skills you need to have a career in a particular occupation. You can earn a nationally recognized certificate of completion upon finishing an apprenticeship, stating you have received the training needed to become a journeyman.

For a list of all apprenticeable occupations please visit the Maryland Apprenticeship and Training website at www.dllr.maryland.gov/labor/appr/. Also, visit the Maryland Workforce Exchange at *https://mwejobs.maryland.gov/vosnet/Default.aspx* and click on the Apprenticeship and Training icon to view current apprenticeship opportunities.

As you look for occupations able to offer apprenticeships, please be aware of the fact not every occupation able to offer apprenticeships is currently offering an apprenticeship and not every registered apprenticeship program is hiring at this time.

If you are interested in becoming an apprentice please visit the Maryland Workforce Exchange or ask your local One-Stop Career Center for more information about apprenticeships in your area and how to contact apprenticeship sponsors.
