

Governor's P-20 Leadership Council

Welcome

What is the “P” in P-20?

“P” stands for Pre-school

- A K-16 system integrates a student's education from kindergarten through a four-year college degree.
- A P-16 system integrates a student's education beginning in preschool (as early as 3 years old) through a four-year college degree.
- A P-20 system expands the P-16 system to include graduate school education.

Council Mission

The Council is a partnership between the State, educators, and the business community to better prepare Maryland students for the jobs of the 21st century while enhancing the State's economic competitiveness by creating a workforce with 21st century skills.

The Council also ensures that college and career readiness and college completion strategies for Maryland students are implemented.

Maryland Longitudinal Data Service and the P-20 Council

P-20 Link to MLDS

Maryland Longitudinal Data System

- A dataset is **longitudinal** if it tracks the same type of information on the same subjects at multiple points in time.
- The purpose of the Maryland Longitudinal Data System (MLDS) is to generate timely and accurate information about student performance that can be used to improve the State's education system and guide decision makers at all levels.
- To accomplish this task, the MLDS collects and organizes individual-level student and workforce data from all levels of education and the State's workforce.

P-20 Link to MLDS

MLDS Research Agenda

- The MLDS provides the ability to examine student preparation, progress and outcomes over time, across PreK-12, postsecondary education and training, and the workforce.
- Establishing the research agenda is the duty of the MLDS Governing Board.
